Kia ora

Thank you to the parents and staff who ran a rotation of activities on Wednesday for Te Wiki o Te Reo Māori (Māori Language Week). Students had a great deal fun learning new skills and games. Congratulations to parents who have taken up our Te Reo challenge at home and to the students who have shared their mihi with me this week.

Thank you to Year 8 student, Anika, who has successfully engaged businesses to sponsor the purchase of an indoor basketball hoop for the school.

Basketball is hugely popular at Clarkville and I know the teams will be grateful for the opportunity to practise inside on cold and wet days.

Anika held a friendly basketball competition on Wednesday to celebrate the new hoop with the community.

Disco

Our school disco was held today with level 2 conditions in place. Thank you to the PTA who ensured that our students did not miss out on this much anticipated annual event.

Tennis Coaching

Next week all year groups will have a tennis coaching session provided by the Kaiapoi Tennis Club. Students are welcome to bring their own racket if they have one and there will be plenty on hand.

Top Team

Sport Canterbury will run Top Team for the whole school on Tuesday.

The Top Team Challenge is a series of interactive team building challenges designed to promote problem-solving, communication and team work while being active and having fun.

Ski Day

Our skiing trip has been rescheduled for next Thursday. It is dependent on us being at alert level 1. Fingers crossed that the trip can go ahead and with fine weather.

Teacher only day

The first day of term 4 is Tuesday 13 October. This is so the teachers can have training in the Pause, Breathe, Smile programme on 12 October. The programme provides skills and knowledge to help people self-regulate their emotions, providing life-long benefits. It fosters positive relationships and will help children to attend to their learning with a mind-set that is conducive to learning.

From The Enviro Group This Week...

Seedlings for Sale

Just in time for YOU to plant out your summer vegetable garden we have super seedlings for sale. They are healthy, they will grow strong and produce fabulous, fresh vegetables for your table. Because they come to you from the enviro group, they have a magical environmental touch to them. Pick up your super seedlings after school from either Whakarewa's gate or the main gate. The enviro group would appreciate a donation that we will put towards our planting programme.

✦ safer for you and our world

Remember to bring your bottles back. We're collecting ecostore bottles at our school this year – so ecostore can collect, wash and remake them into new ones. Help us do our bit to reduce plastic waste in New Zealand, and inspire other people, companies and communities to step up and help solve the plastic pollution problem.
