

12 November 2020

Kia ora

Congratulations to our Year 8 students for the work they have done over the year on their Leadership Projects. It was wonderful to see these on display this week and to talk with them about their journey. Their reflections showed their depth of self-knowledge and their learning over the course of the year.

## Staffing for 2021

Staffing for next year has been completed and I am pleased to announce our teaching teams for 2021:

Whakarewa	Sue Edwards, Hayden Smythe and Kate Colbran (part-time)
Tūhura	Paula Gray and Holly Greenslade
Hōpara	Ashley Butler and Nick Burson
Matawara	Kristie Morrison and Megan Happ

We have a very stable and committed team of teachers at Clarkville and it is a pleasure to work alongside them. We warmly welcome Holly Greenslade to the team next year. Holly joins Paula in Tūhura while Molly takes a year's leave. It was lovely to have Holly join the team for a couple of days this week so that the children could meet her.

Juliana Rae  
Principal

## Apps, Devices & Porn

Waimakariri District Council and RYCT are co-ordinating an Apps, Devices & Porn parenting evening on Thursday November 19<sup>th</sup>, information from them is below.

This is an opportunity for parents to not just gain knowledge, but more importantly, the skills to have great conversations and support their young person to manage these often tricky subjects. This workshop will be really worthwhile for anyone with children of any age (it's a conversation that's best to start younger).

Tickets are \$5. For more information and registration you can check out Eventbrite <https://bit.ly/3laV8GN> or Facebook.

2020

Location: Ohoka Sport and Event  
Centre, Jacksons Road  
When: Thursday 3rd December 6pm

Tickets  
**\$10**  
Purchase at the Office

# Enviro newsletter

Over the last 2 weeks the Enviro Group has been encouraging the school to have litter free lunches by running a competition.

## Why Litter Free?

The Enviro Group wants;

- Our school to be free of rubbish. Food wrapping and packaging make the most litter in a school.
- It is estimated that an average student's lunch box makes 30kgs of rubbish each year. All that rubbish has to go somewhere and we want to protect our environment.
- Litter free lunches are often healthier because they don't contain as much processed food.

Every day we gave out tokens to people who had litter free lunches. The team with the most tokens would be the winner of a yummy chocolate cake.

We were really happy with how many litter free lunch boxes we saw. Best of all we saw a huge decrease in litter around the school over the two weeks.

People were very pleased with their tokens

*This lunch deserved a token because it had a beeswax wrap and no litter.*

## Drum roll for the results... 🥁

Aspire... 116

Tūhura... 172 tokens

Whakarewa... 175 tokens

And the winner ... **TEAM HŌPARA** with 176 tokens

Congratulations Hōpara, you can look forward to your chocolate cake next week.

By Clara-Jane and Samantha
