## New Communication App

Our new school app can be downloaded from <https://clarkville.apps.school.nz/install/>

Ensure you subscribe to the alert groups your children are connected to (Team name, Sports, Bus) and allow for notifications.

For the remainder of this year we will use the app to communicate with you and phase out the use of Facebook pages for communication. The app will replace many emails sent by the school.

This short video will help you to get underway
